Revision of the ~~Grade~~ Scale of

from Rs 50/- to Rs 75-5-150

Sir

With reference to the correspondence ending with your letter No A5-C 1008/43-44 dated the 7th February 1948 on the above subject I am directed to observe that as against the present sanctioned scale of Rs 50 for the Kannada Stenographer the revised scale proposed now is Rs 75-5-150 which is very high for there is an English stenographer also for this Municipality and the appointment of a Kannada Stenographer on such a high pay seems unwarranted I am ~~to~~ to request you to kindly

~~retrace~~ ascertain and
investigate the opinion of the Bangalore City
Municipal Council whether it
would not be convenient to ~~employ~~ engage the
services of a Kannada Reporter
paying a lumpsum remuneration
of Rs 20 or Rs 25 per mensem instead of employing a full-time Officer
Would be an economical arrangement for all parts

Proceedings of the meeting of the Bangalore City Municipal Council dated 26-4-1948

====

Letter No L 14605 dated 17-3-1948 from the Revenue Secretary to Government enquiring whether it would not be sufficient to engage the services of a Kannada reporter on a lumpsum remuneration of Rs 20 or 25 per meeting instead of employing a full time Kannada Stenographer on Rs 75-5-150/-

Mr H S Seetharam moved "This Council while reaffirming its previous resolution further resolves to empower the Commissioner to appoint a Kannada Stenographer in anticipation of sanction of Government"

Mr G Nanjappa seconded the proposition and said that it was very necessary to appoint a Kannada Stenographer on a monthly remuneration and opposed the suggestion of Government to engage a Kannada Stenographer as a part-time employee

Mr S K Venkataranga Iyengar observed that though he was fully aware of the need of the Kannada Stenographer and appreciated the resolution, yet there were certain peculiar difficulties in regard to the latter portion of the resolution viz , empowering the Commissioner to appoint a candidate in anticipation of Government sanction He said that the appointment required previous sanction of Government and it might not be possible to entertain a candidate before sanction of Government was obtained for the creation of the post He said that the Council would be placing the Commissioner in an embarassing position by passing such a resolution and that it was not right to force the Commissioner to carry out the resolution He requested therefore that the latter portion of the resolution be deleted and that the previous Council Resolution be reiterated He said that the resolution as it stood was out of order

Mr G Nanjappa opposed and said that the proposition was quite necessary and should not be deleted

The President then gave a ruling over the proposition and said that it was in order and was within the purview of the Council

He said that Government had accepted the necessity of entertaining a Kannada Stenographer but the only point for consideration was whether to engage an employee whole-time or part-time The Council was in favour of appointing an whole time basis and hence there was nothing wrong in passing such a resolution The President further said that he would generally agree with the views of Mr S K Venkataranga Iyengar but under the present circumstances the proposition was quite in order, and that the Government had only suggested an alternative measure of economy but that did not mean that they would turn down the proposal of the Council altogether

Mr T T Sharma speaking said that the letter of Government was quite clear and that Government had only asked the opinion of the Council in the matter of appointing a Kannada Stenographer on a lumpsum remuneration He said that the suggestion was not acceptable to the Council and supported the resolution together with the amendment

Mr S K Venkataranga Iyengar speaking said that he was one with Mr G Nanjappa and Mr Sharma in supporting the resolution but the only point was whether the proposition could be passed and given effect to He suggested that the previous resolution be reiterated and reasons furnished for the employment of a full time reporter with reference to the letter of Government He requested that the amendment be omitted

Mr H S Seetharam said that he would totally oppose the amendment of Mr S K Venkataranga Iyengar and pressed for the acceptance of the resolution

Then the President said that the points raised by Mr S K Venkataranga Iyengar were not correct taking into consideration the circumstances of the present case He said that if the Government letter was not so worded the proposition would not have come up The views expressed by Mr S K Venkataranga Iyengar were generally correct but the same course could not be adopted

in the present case in view of the urgent necessity He said that the services of the Kannada reporter were required for the Council and also to the Committees and that these services must therefore be on a full time basis

Then the President informed the House that the subject would be put to vote, but at this stage Mr S K Venkataranga-Iyengar requested permission to withdraw his amendment and this was granted

The proposition was unanimously passed

Honorary President.

OFFICE NOTE

Ref - Regarding the revision of the Pay of the Kannada Stenographer

---

In connection with the above, the Municipal Council at their meeting held on 28-11-47 resolved that the pay of Kannada Stenographer be fixed at 75-5-150 This was sent to Government and after some correspondence Government in their letter No L 964/ M1 105-48-60 dated 30-7-48 have stated that the grade pay of Rs 75-5-150 is not in conformity with the scales of pay sanctioned for similar Government Employees under Government Order No Fl 2010-70/S & A 25-47-6 of 21-9-47 viz , Rs 50-5-100 and Rs 100-10-200 The Government have further observed that as there is already one English Stenographer on Rs 75-5-100-10-150, the scale of the Kannada Stenographer should be suitably revised

In view of the dearth for qualified Kannada-Stenographers, the pay may be revised to 100-10-200 The Municipal Council at their meeting held on 4-9-48 have recorded the letter with the observation, that the appointment be made immediately and the Stenographer be placed entirely at the disposal of the President

This may therefore be kindly be placed before the Municipal Council once again for passing a resolution in the light of the letter of Government of 30-7-48 in the matter of fixing a suitable scale for the Kannada Stenographer

The scale of the Kannada Stenographer may be fixed at 100-10-250, considering the volume of work to be turned out by him, as he will have to record the resolutions of the meetings of the Council as well as all of the Committees
